## HOW DO I BECOME A MEMBER OF OBLBC?

The short answer is “you just ask...”

---

We make it easy to try the club and see if it is for you.

### EITHER

- E-mail the club at [bowlsoakbay@gmail.com](mailto:bowlsoakbay@gmail.com) and ask for an introduction to the club and its facilities. A club member will contact you for an introductory tour at a time that suits you.

### OR

- At 6:00 p.m. any Friday evening from May through September, come to the clubhouse in Carnarvon Park and ask to play. You will be given coaching in the basics and be able to play right away.

If you want to carry on bowling, you are invited to attend three training sessions without charge. If you then decide to join, you pay the annual fee

We expect to have a limited number of playing memberships available in the 2018-19 year, so don't delay.

# OAK BAY LAWN BOWLING CLUB

## WHY TRY BOWLING?

We recently asked our 200+ members why they decided to try lawn bowling in the first place. Here are some top reasons:

---

- Wanted to try something new.
- Wanted to socialize more—make new friends.
- Looking for good value for my recreational dollar.
- Game that men and women can play on equal terms.
- As parents, we can play as a family with our children.
- Don't need a partner, just show up!
- Had to give up other sports because of injury - but I could bowl.

*"... there is a certain camaraderie among lawn bowlers not found in any other sport. It is excellent exercise, does not take a whole day of time, and good sportsmanship is always present. Millions of Americans, not just a few thousand, should be on the green, for once a person becomes a member of a club and gets on the green, he will find that his future will be filled with untold pleasures . . . and many added years." — Walt Disney*
